TRAINING 2017

SCDA is running out of Course Designers and needs new, younger, (or not!) people (male or female) to plug the gaps!!

The National / FEI combined clinic at Stow is from 24-26 Feb 2017 with the Judges Clinic taken by Joaquin Medina (ESP), Technical Delegates Clinic by Philip Bateman (GBR) and Course Designers Clinic by Richard Nicoll (USA).

SCDA will give a grant towards the cost of the clinic and travel expenses to SCDA Members who take part.

Many of our Judges, Course Designers and Technical Delegates will be attending so you will be among friends if you decide to take the plunge!

Please contact Eileen Cornish so that your grant application can be added to our list of those attending.

There will also be a Club Technical Delegate Clinic running in the North of England in 2017. Again – please notify Eileen Cornish of your intention to attend.

SAFETY REMINDER

Please do not embarrass event organisers

by arriving at an event without your back protector or hard hat for the marathon/obstacle phases. They will be obliged to send you home without being allowed to compete since you would invalidate the event's insurance cover.

British Carriagedriving Rule

Dress in Marathon and Combined Marathon/Derby - Article 928.2.2

"Athletes and grooms must wear securely fastened protective headgear and a suitable back/body protector on the marathon or Combined Marathon/Derby¹. Infringement will incur Elimination. Any athlete / groom who continues on the course without a hard hat or a suitable body/back protector after Elimination, will be disqualified. "

Notes for Guidance - Article 928.2.2

British Carriagedriving considers that it is the responsibility of each Athlete and their Groom(s) to determine what form of back/body protection is most suitable for them, taking into account the risks inherent in the marathon competition and the characteristics of their turnout including size, shape and experience.

The following are not, however, considered to be suitable and do not comply with the requirement of article 928.2.2:

- a. Any back or body protector that has not been certified as being suitable for use in equestrian sports or another sport or activity which, in the opinion of the Athlete/Groom, involves comparable or equivalent risks;*
- b. An air jacket unless worn with an additional back/body protector which is suitable.*

This rule applies to all SCDA Club Points Events and Grassroots that have a marathon/obstacle phase.

2016 has been a winning year for Margaret Lupton

Margaret Lupton

Left - Edinburgh and Borders RDA Region

Volunteer of the Year.

(Awarded to Margaret for her hard work and enthusiasm in helping the Annandale and Eskdale RDA Carriage Driving Group to re-locate to their new venue at Williamwood.)

UKCC Coaches/HorseScotland

SCDA are hoping to obtain a grant from HorseScotland to progress our training of officials.

It would help enormously if all UKCC coaches in Scotland were registered with HorseScotland. Registration for the Coaches Register is free of charge for one year, but is likely to change at the beginning of next year.

<http://www.horsescotland.org/coaching/coaches-register/join-our-coaches-register/>

We wish all our members and helpers a Merry Christmas, Happy New Year and hope everyone has an enjoyable and safe 2017 Driving Season.
